

County Forest Road Aids (CFRA)

Statutory Authority: [§ 86.315](#)

Admin. Rule: N/A

Objective:

To defray county costs for the improvement and maintenance of public roads within county forests.

Eligibility:

County Forest Road Aid of \$336 per mile of qualifying road is paid each year on March 10. The aid is prorated if the amount appropriated in the state budget is not sufficient to support the \$336 per mile payment.

In order to qualify, the road must be:

- Located within a county forest;
- At least 20 feet wide with a surface width of at least 16 feet;
- Open and used for travel; and
- Part of a comprehensive county forest land-use plan approved by the county board and the Department of Natural Resources.

County Forest Roads are not eligible to receive General Transportation Aid.

A total of 24 counties receive County Forest Road Aid:
