

Lift Bridge Aids (LBA)

Statutory Authority: Lift Bridge Aids, Section [86.32 \(2\)\(a\)](#), Wisconsin Statutes.

Admin. Rule: N/A

Objective:

To provide reimbursement to cities for maintenance and operating costs of lift bridges located on the Connecting Highway System.

Eligibility:

To reimburse the Cities of Milwaukee, Racine, Green Bay, Manitowoc and Two Rivers for costs associated with the maintenance and operation of 10 lift bridges on connecting highways, within communities that provide connections to the State Trunk Highway system.

Provided sufficient funds have been appropriated, Lift Bridge Aids are intended to reimburse local governments for 100% of actual annual expenditures.

FY 2009 Appropriation: \$2,294,400.00
